 Sometimes it's hard
 A E
 To do what you're meant to do
 F#m A
 the fire we must walk through
 E
 sometimes it's hard

E C#m
 I am a servant
 A
 I'll fight for the common man
 F#m A
 To rise up and take a stand
 E
 I am a servant

E C#m
 And I am, I am
 A A
 The one to make a change
 F#m
 Who's gonna do it
 A
 If I don't stick to it?
 E
 I am

E C#m
 No one can know
 A
 When fate says your time has come
 F#m A
 So carry the lonely ones
 E
 No one can know

E C#m
 Cause it's all for love
 A
 It comes down to what you choose
 F#m A
 To reach out and heal the wounds
 E
 It's all for love

And I am, I am
 The one to make a change
 Who's gonna do it
 If I don't stick to it?
 I am

I am, I am
 A voice to be heard
 Who's gonna do it
 If I don't step to it?
 I am
